# 3M Offers A Broad Range Of Protective Eyewear Products

**3M™ Protective Eyewear Products are available in several configurations. They offer wearer comfort, safety and a fashionable look.**

## Features of 3M™ Protective Eyewear:

- Meets the requirements of ANSI Z87.1-1989
- Fashionable good looks
- Comfortable, secure fit with wraparound design
- Lightweight plastic frames

3M™ Boas™ Protective Eyewear feature polycarbonate lenses with 99% UV protection. They are lightweight, comfortable and designed for worker acceptance.

3M™ Sting-Rays™ Protective Eyewear have lightweight, contemporary-styled frames that offer side and brow protection. The lens is made of durable, hard-coated polycarbonate.

3M™ Vipers™ Protective Eyewear have a stylish, one-piece wraparound design for good looks and optimal protection. They have a polycarbonate lens, 4-position temple adjustment and a vinyl nose pad for greater comfort.

3M™ Lazars™ Protective Eyewear feature a wraparound design with a non-slip rubber head grip for added comfort. They have a 5-position adjustable temple and a soft vinyl nose pad.

3M™ Visitor Specs provide eye protection for visitors and other short-term users. They can be worn alone or over prescription glasses.

3M™ Safety Goggles, Perforated, are soft and comfortable with flexible vinyl frames. These are general-use goggles and should not be worn in areas where chemical splashes and fumes may be present.

**▲ PROTECTIVE EYEWEAR WARNING**

These safety products provide limited protection only. **Misuse or failure to follow warnings and instructions may result in serious personal injury, including blindness, or death.** For proper use, see supervisor, instructions and warnings, or call 3M OH&ESD Technical Service in U.S.A., 1-800-243-4630. In Canada, call 1-800-267-4414.

3M™ Safety Goggles, Splash Proof, have polycarbonate lenses to protect against chemical splashes. The pliable vinyl frames provide a comfortable fit and vents enhance air circulation to prevent fogging.

# Our Head And Face Protection Products Offer Both Comfort And Safety

3M™ Head and Face Protection Products are designed to enhance safety in the workplace. In addition, they combine personal comfort and a fashionable appearance with overall value.

3M™ Omega II™ Hard Hats feature a 6-point suspension along with a lightweight, well-balanced design to enhance worker acceptance. These hard hats may be worn backwards when the headband is installed in the reverse position.

## Features of All 3M™ Head Protection Products:

- Molded from lightweight, high-density polyethylene
- Meets the requirements of ANSI Z89.1-1997, Type 1, Class C, E and G
- Fully-cushioned brow pad absorbs moisture
- 6-point suspension

10

11

## 3M™ Omega II™ Hard Hats are designed with the user in mind

### Standard Suspension (Fits 6½ - 7¾)

- Slide sizing design quickly adjusts to wearer's head size
- 6-point suspension increases comfort

12

### Ratchet Suspension (Fits 5¾ to 8)

- Soft removable brow pad
- Allows for perfect fit without removing hat
- Polyethylene headband allows maximum adjustability and comfort

13

14

3M™ Hard Hats are the lightweight and economical choice for many jobs. They have a short peak and trim profile that make them ideal for a wide range of jobs where safety and value are needed. The slide suspension adjusts to fit sizes 6½ - 7¾.

15

16

3M™ Full Brim Hard Hat provides more protection from sun, rain and glare. This hat is ideal for construction, highway and utility personnel. It uses the same ratchet suspension as the 3M™ Omega II™ Hard Hats.

17

3M™ Face Shield Kit uses replaceable polycarbonate material for clearer vision. The cam-lock feature holds the face shield in place. It uses a slide adjustment for easy sizing.

## ⚠️ PROTECTIVE HEADWEAR WARNING

These safety products provide limited protection only. **Misuse or failure to follow warnings and instructions may result in serious personal injury or death.** For proper use, see supervisor, instructions and warnings, or call 3M OH&ESD Technical Service in U.S.A., 1-800-243-4630. In Canada, call 1-800-267-4414.
