

PRODUCT SPECIFICATION

**Carl
Kammerling**
International

Brand	C.K
Product Range	Soldering Irons
Catalogue number	950
Date	20/02/2007

Range Description Soldering Irons				
Features • Heavy duty construction – for professional use • GS & VDE approved – independently certified • Long life tip – suitable for use with lead free solder • Support stand included				
Item Number	Item Description	EAN No	Commodity code	Carton Qty
495009	25w Soldering Iron UK	505107495009	85151100	1
495010	40w soldering Iron UK	505107495010	85151100	1
495011	25w Soldering Iron Euro	505107495011	85151100	1
495012	40w Soldering Iron Euro	505107495012	85151100	1
495013	Spare tip 25w	505107495013	85151100	1
495014	Spare tip 40w	505107495014	85151100	1

Technical product information	Materials Handle – Injection moulded thermo-setting polyurethane Heating element – Heater wire (chrome nickel steel) Shaft – Stainless steel Tip – Copper with nickel Iron plating 25w Soldering Iron 25w output Voltage 220 – 240v AC Current 0.1 amp Fuse rating 3 amp Tip width 2.7mm 40w Soldering Iron 40w output Voltage 220 – 240v AC Current 0.17 amp Fuse rating 3 amp Tip width 3.5mm
Standards compliance	VDE approved product
User health and safety information	Users are directed to carefully read and observe the operating instructions
RoHS/WEEE compliance	RoHS – these products are implicated within the scope of the legislation, Carl Kammerling International hold evidence of compliance, available on request Carl Kammerling International is a registered producer of RoHS compliant products WEEE - markings on C.K soldering Irons are compliant with WEEE directives
Material safety data	None applicable
Warranty	C.K soldering irons are guaranteed for life against imperfect materials or workmanship
Country of origin	Germany
