Dsub connector JS series

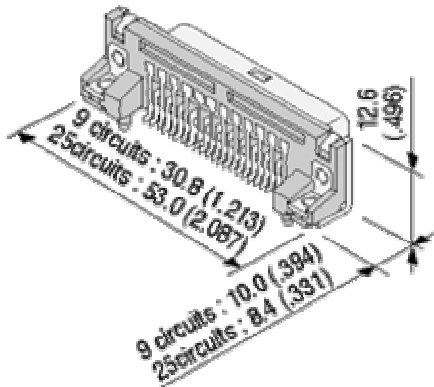

- *Mating part is designed to conform to MIL C-2430
- *Thin design
- *Heat resistant resin is used for the insulator, thus reflow soldering processes.

Product Profile

Series	Dsub connector JS series
Category	Interface Connection Connecto
Type	Rectangular connector, SMT ty

Specification

Current rating	1.0A
Voltage rating	125V
PC board mounting direction	Right-angle

Compliant with RoHS.

(LF)(SN) as identification part number shall be display
When ordering RoHS compliant products, please inqu
JST Sales Office, or order them with the described pa
(LF)(SN) as the identification marking after it.
