

FL 101 Plus

Effective and reliable

FL 101 is a symmetric task light especially suitable for work benches and other large work surfaces where plenty of light is needed. With its flexible arm and head you can easily adjust it for your personal needs. FL 101 Plus is supplied with HF ballast as standard.

Two sizes

FL 101 Plus is available with long or short arm. Choose the version that best suits your needs. Standard with table clamp. Integrated table clamp available on demand. Colour: White.

The importance of the personal task light

Follow this link to learn more about the importance of good workstation lighting, and how a task light can help you achieve a better working environment.
