

### Pan-Way® LD Surface Raceway System

- For routing data and low voltage cabling
- One-piece hinged design allows cables to be laid in
- Factory applied adhesive backing speeds installation
- FT4 rated
- Terminates using surface mount outlet box solutions or Panduit® Mini-Com® Surface Mount Boxes

LD10  
Internal Area = 1.00 Sq. In.

| Part Number            | Part Description                                                                                                          | Raceway Size                   | Color‡    | Length (Ft.) | Std. Ctn. Qty. |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|--------------------------------|-----------|--------------|----------------|
| LD3 – Surface Raceway  |                                                                                                                           |                                |           |              |                |
| LD3IW6-A               | One-piece latching surface raceway. Supplied with pre-applied adhesive backed tape. Available in 6', 8', and 10' lengths. | .77" x .46" (20.0mm x 12.0mm)  | Off White | 6            | 120            |
| LD3IW8-A               |                                                                                                                           |                                |           | 8            | 160            |
| LD3IW10-A              |                                                                                                                           |                                |           | 10           | 200            |
| LD5 – Surface Raceway  |                                                                                                                           |                                |           |              |                |
| LD5IW6-A               | One-piece latching surface raceway. Supplied with pre-applied adhesive backed tape. Available in 6', 8', and 10' lengths. | 1.01" x .58" (26.0mm x 15.0mm) | Off White | 6            | 120            |
| LD5IW8-A               |                                                                                                                           |                                |           | 8            | 160            |
| LD5IW10-A              |                                                                                                                           |                                |           | 10           | 200            |
| LD10 – Surface Raceway |                                                                                                                           |                                |           |              |                |
| LD10IW6-A              | One-piece latching surface raceway. Supplied with pre-applied adhesive backed tape. Available in 6', 8', and 10' lengths. | 1.51" x .94" (38.4mm x 24.0mm) | Off White | 6            | 120            |
| LD10IW8-A              |                                                                                                                           |                                |           | 8            | 160            |
| LD10IW10-A             |                                                                                                                           |                                |           | 10           | 200            |

‡For other colors replace IW (Off White) with EI (Electric Ivory), IG (International Gray), or WH (White).  
Order number of feet required in multiples of standard length increments.
