

**SAC-4P- 3,0-PUR/M12FR**

Order No.: 1668234

<http://eshop.phoenixcontact.de/phoenix/treeViewClick.do?UID=1668234>

Sensor/Actuator cable, 4-position, PUR, halogen-free, Black-gray RAL 7021, Free conductor end, on Socket, angled M12, A-coded, Cable length: 3 m

**Commercial data**

**Technical data****General data**

|                       |        |
|-----------------------|--------|
| Rated current at 40°C | 4 A    |
| Rated voltage         | 250 V  |
| Number of positions   | 4      |
| Volume resistance     | ≤ 5 mΩ |

|                                            |                                                      |
|--------------------------------------------|------------------------------------------------------|
| Insulation resistance                      | $\geq 10 \text{ M}\Omega$                            |
| Length of cable                            | 3 m                                                  |
| Stripping length of the free conductor end | 50 mm                                                |
| Ambient temperature (operation)            | -25 °C ... 90 °C (Male connector / female connector) |

#### General characteristics

|                             |                                             |
|-----------------------------|---------------------------------------------|
| Standards/regulations       | M12 connector IEC 61076-2-101               |
| Coding                      | A - standard                                |
| Surge voltage category      | II                                          |
| Pollution degree            | 3                                           |
| Degree of protection        | IP65/IP68/IP69K                             |
| Insertion/withdrawal cycles | $\geq 100$                                  |
| Contact material            | CuSn                                        |
| Contact surface material    | Ni/Au                                       |
| Contact carrier material    | TPU GF                                      |
| Material of grip body       | TPU, hardly inflammable, self-extinguishing |
| Material, knurls            | Zinc die-cast, (nickel-plated)              |
| Sealing material            | NBR                                         |
| Status display              | No                                          |

#### Conductor data

|                                    |                                              |
|------------------------------------|----------------------------------------------|
| Cable type                         | PUR halogen-free black                       |
| Cable type (abbreviation)          | PUR                                          |
| Cable abbreviation                 | Li9Y11Y-HF                                   |
| Conductor cross section            | 0.34 mm <sup>2</sup>                         |
| AWG signal line                    | 22                                           |
| Conductor structure signal line    | 42x 0.10 mm                                  |
| Core diameter including insulation | 1.27 mm $\pm$ 0.02 mm                        |
| Thickness, insulation              | $\geq 0.21 \text{ mm}$ (Core insulation)     |
|                                    | $\geq 0.8 \text{ mm}$ (Outer cable sheath)   |
| External cable diameter            | 4.7 mm $\pm$ 0.15 mm                         |
| Wire colors                        | Black, brown, blue, white                    |
| External sheath, color             | Black-gray RAL 7021                          |
| Insulation resistance              | $\geq 100 \text{ M}\Omega \cdot \text{km}$   |
| Conductor resistance               | $\leq 58 \text{ }\Omega/\text{km}$ (at 20°C) |
| Nominal voltage, conductor         | $\leq 300 \text{ V}$                         |

|                                               |                                                                                                                        |
|-----------------------------------------------|------------------------------------------------------------------------------------------------------------------------|
| Test voltage, conductor                       | ≥ 3000 V                                                                                                               |
| Overall twist                                 | 4 wires, twisted                                                                                                       |
| Length of twist, overall twist                | 49.5 mm                                                                                                                |
| Outer sheath, material                        | PUR                                                                                                                    |
