

The image displays two perspectives of a 100-pin DVI-D connector. The side view on the left shows the full length of the connector with its 25 pairs of pins (12 on each side) and a central ground pin. The top-down view on the right shows the 100 pins arranged in two rows of 50 pins each, with a central ground pin. The pins are gold-plated and the connector housing is black.
