

## TK-type Twin Wheel Caster

### Characteristic

Caster with cover, drivability, stability, and smooth turning are excellent.

### Application

Lighter devices / TV tables

caster with stopper  
(applicable for  
both truck and bolt types)

### Bolt Type Specification

| Model No. | A    | D         | E        | d         | H2    | K  | L  | W  | Allowable Load (kg) | Code No. |
|-----------|------|-----------|----------|-----------|-------|----|----|----|---------------------|----------|
| TK30N6    | 29   | φ30       | 11       | M6×1.0    | 39    | 10 | 14 | 33 | 20                  | 19034    |
| TK40N8    | 39.5 | φ42       | 14       | M8×1.25   | 55    | 14 | 15 | 39 | 30                  | 19037    |
| TK40N8S   | 47   |           |          | M10×1.5   |       |    |    |    |                     | 19050    |
| TK40N10   | 39.5 |           |          |           |       |    |    |    |                     | 19038    |
| TK40N10S  | 47   |           |          | W5/16×-18 |       |    |    |    |                     | 19051    |
| TK40N2.5  | 39.5 |           |          |           |       |    |    |    |                     | 19039    |
| TK40N2.5S | 47   |           |          |           |       |    |    |    |                     | 19052    |
| TK40N3    | 39.5 |           |          | W3/8×-16  |       |    |    |    |                     | 19040    |
| TK40N3S   | 47   |           |          |           |       |    |    |    |                     | 19053    |
| TK50N8    | 51.5 |           |          | φ52       |       |    |    |    |                     | 21       |
| TK50N8S   | 59   | M10×1.5   | 19055    |           |       |    |    |    |                     |          |
| TK50N10   | 51.5 |           | M12×1.25 |           | 19043 |    |    |    |                     |          |
| TK50N10S  | 59   | W5/16×-18 |          |           | 19056 |    |    |    |                     |          |
| TK50N12   | 51.5 |           | 14       |           | 19044 |    |    |    |                     |          |
| TK50N12S  | 59   |           |          |           | 19057 |    |    |    |                     |          |
| TK50N2.5  | 51.5 | W3/8×-16  | 14       |           | 19045 |    |    |    |                     |          |
| TK50N2.5S | 59   |           |          |           | 19058 |    |    |    |                     |          |
| TK50N3    | 51.5 |           |          |           | 19046 |    |    |    |                     |          |
| TK50N3S   | 59   |           |          |           |       |    |    |    |                     |          |

※N shows the screw type on the model No. Caster with stopper has S at the end of the model No.

### Truck Type Specification

| Model No. | A    | D   | E  | G  | H1    | L1 | L2 | P1 | P2 | W    | Allowable Load (kg) | Code No. |
|-----------|------|-----|----|----|-------|----|----|----|----|------|---------------------|----------|
| TK30      | 29   | φ30 | 11 | φ5 | 42.5  | 28 | 28 | 18 | 18 | 33   | 20                  | 19031    |
| TK40      | 39.5 | φ42 | 14 |    | 58.5  | 38 | 38 | 26 | 26 | 40.5 | 30                  | 19032    |
| TK40S     | 47   |     |    |    | 19047 |    |    |    |    |      |                     |          |
| TK50      | 52.5 | φ52 | 21 |    | 68.5  |    |    |    |    | 47   | 40                  | 19033    |
| TK50S     | 59   |     |    |    | 19048 |    |    |    |    |      |                     |          |

※Caster with stopper has S at the end of the model No.
